Manas Rang Counseling Centre Report 2021-22

Manas Rang counseling centre has organised one day workshop on "Legal Provision for Prevention of Harassment of Women" on 1st December 2021.

Hemangi Sukhdev Bari is a student of B.A. Part I who was mentally capable but she could not speak clearly. She could write, she could read and she could communicate with her close friends but she could not speak clearly. She needs a communicator to communicate to others, so her family members and her close friends became her communicator. When she wants to communicate to others, she tells to her communicator and the communicator tells it to others. Though she has a communication disability, she has a great desire to learn.

Counseling centre president personally analysed her case and gave his suggestions. As per the suggestions, centre members done counseling of her. Her subject teacher's teachers took hard work for her to revise her form and to increase their self confidence.

The second student is Lakshmi Herole Lakshmi whose financial situation is very bad. Her parents are struggling to survive. She married to a boy who was not her caste so her parents refused to accept her. But she was studying hard to prepare MPSC exam. Counseling center president advised her to make full use of the long library of the college for her MPSC preparation and the faculty should guide her properly from the MPSC point of view and practice.
